

## NESTLÉ HOT CHOCOLATE

### Rich and Foamy.

Delight in the decadence of NESTLÉ HOT CHOCOLATE!

There's nothing more decadent than a cup of rich and foamy Nestlé Hot Chocolate on a cold afternoon - or whenever you need a quick pick-me-up! One can't help but acknowledge that there is something irresistible about hot chocolate...

Is it perhaps the creamy, silky texture, the appealing colour, the exquisitely sweet, rich flavour or the tantalizing aroma? It doesn't really matter, because the whole experience of hot chocolate is sheer bliss.

**You deserve to enjoy this experience every day ...**

So go ahead and treat yourself with South Africa's most loved Hot Chocolate!

Whether it's sinking into a comfy couch or curling up with your favourite bedtime read... Nestlé always makes your Me-Time moment just a little more decadent with **Our Hot Chocolate!**
